[] a large number of factory-new heavy tanks permanently stationed in the shelters of the pool were not used for training purposes. Other tanks which arrived at the tank pool, a short time previously, were to be examined by the commission and turned over to the Volkspolizei army. Comment. A tank unit of the 3th Gds Weiz Div has been carried in Borna. In late April, another source reported that tanks were loaded in Borna. It is possible that a tank reserve was stationed with the unidentified tank unit of the 5th Gds Weiz Div or that a tank depot independent of the 3th Gds Weiz Div is located in Borna. It is possible that the Volkspolizei receive tanks from Borna.
